

Housing Problem in 'Javal Area' at Gadag

506. Sri K. H. PATIL (Gadag).—

Will the Minister for Transport be pleased to state :—

(a) whether the Municipality and the Government have taken stock of the housing problem existing in 'Javal Area' at Gadag ;

(b) if so, the measures taken by Government to implement the Housing Scheme sponsored by the Municipality ?

Sri MOHAMED ALI (Minister for Transport).—

(a) Yes.

(b) A Comprehensive scheme for the construction of 450 houses is under the examination of Housing Board.

Sri K. H. PATIL.—May I know whether it would be possible for the Government to complete the buildings in Javal Area at Gadag by the end of this year in view of urgency ?

Sri MOHAMED ALI.—Sir, the Scheme proposed by the Municipality is about open development of plot, but not about the construction of buildings. If the Municipality proposes to construct buildings and is prepared to pay 12 per cent subsidy, the Government will be in a position to construct the buildings as early as possible.

Sri K. H. PATIL.—The Municipality has submitted proposals to the Housing Board for construction of buildings instead of plot development and the proposals are already examined by the Housing Board, and sent to the concerned authorities. In view of this, will the Government examine it and take immediate action ?

Sri MOHAMED ALI.—So far as my information goes, the proposals are only for open development of plot and not about buildings. I will further examine if they have sent any fresh project for construction of buildings and if so they will be taken up.

Sri SIDDIAH KASHIMATH.—Is it not true that a project has been sent by the Municipality ?

Sri MOHAMED ALI.—No proposals for construction of buildings have been sent to the Housing Board. A simple reference was made about plot development by the Municipality without a detailed estimate and plan which was examined by the Housing Board and since the Housing Board wanted some technical details of the scheme, it was sent back to the Municipality.
